Chapter 1 by Ton-Ton

Once upon a time there were four girls named Addy, Harper, Lyra, Lydia. They went swimming in the ocean and came upon an island. They ran around the island looking for a shelter. They came upon a cave and found a pool inside. They jumped into the pool as it started to bubble a loud voice spoke to them. They were the ones. They soon fell into a deep sleep and awoke on the beach of the island. They went to jump into the water and found that they had grown tails. They were starting to sink into the waters depths. But miraculously they could breathe. They started to swim through the depths of the ocean. They swam back to the shore and found an FBI agent looking at them. He tried to grab one of the girls out of the water but the earth started to crack as one of the terrified mermaids made the earth crack in fear of being taken away from her friends. Addy flopped back into the water and swam away into the ocean.
